STANDARDS

Youth attending Basketball Camp must maintain BYU standards. Included in these high standards of honor are integrity; respectful language; morality; abstinence from tobacco, alcohol, coffee, tea, and harmful drugs; and modesty in dress. All hairstyles should be clean and neat. Extreme hairstyles are unacceptable. Athletic shorts are acceptable only in the PE areas; shorts worn in other areas must be knee-length. No sleeveless shirts or tank tops are permitted. Dress and grooming standards are **strictly** enforced on campus. Failure to comply with these standards may result in a request to make appropriate changes and/or dismissal from camp (see Honor Code link on the *Information Packets* page on our Web site).

Due to safety and liability concerns, any participant found in or entering campus construction areas will be subject to immediate dismissal.

FOOD AND HOUSING

Campus housing participants will eat all meals in the all-you-can-eat cafeteria. Non-housing participants will eat lunch and dinner in the same cafeteria. There is a \$2 replacement cost for lost meal cards. [BYU dress and grooming standards](#) are strictly enforced in the cafeteria; therefore, please remember to bring pants, sweats, or knee-length shorts to wear at mealtimes. Flip-flops, slippers, swimsuits, and tank tops are not permitted in the cafeteria.

Campus housing participants are lodged Monday through Wednesday nights in [Helaman Halls](#). Campus housing participants who must stay due to travel arrangements may stay in the residence halls Thursday night and check out by 9:00 a.m. on Friday. Meals on Thursday night and Friday morning are at the participant's expense. The residence hall room is furnished with linen, bedding, towels, and a pullout drawer for valuables that can be locked (padlock must be provided by the participant). Experienced athletic trainers will be on hand to treat injuries that may occur during workouts. For serious injuries, participants may be taken to the Utah Valley Regional Medical Center. Athletes are encouraged to begin strength, flexibility, and nutritional training prior to camp to minimize the risk of injury during camp. It is the camp participant's responsibility to follow the trainers' instructions.
