

**2019 NCAA® DIVISION I WOMEN'S BASKETBALL CHAMPIONSHIP**  
**Maples Pavilion · Stanford, Calif. - Monday, March 25, 2019**

**BYU LOCKER ROOM QUOTES**

**BRENNA CHASE**

"I think we did a really good job of getting all the rebounds we needed to get when they were shooting. We did a good job of stopping their transition, whereas in the second half they got some offensive boards that gave them open shots and second opportunities."

"They weren't shooting very well except for 21 (DiJonai Carrington), she kind of got hot. In the beginning of the second half we decided to go man to shut her down and then we went back into our zone and other people started to get hot."

"I'm so proud of my team. I think the way we played tonight shows that we can hang with these kinds of teams. Next year, we'll be back just as strong. We're obviously going to miss Caitlyn (Aldredge) – she's one of my favorite people. Sad to see her leave, but really excited about next year."

"They weren't helping very much off our shooters, so on the pick and roll, Shaylee is really good at finding the net. She did a great job of creating her own shots tonight. She'll be even better next year."

**PAISLEY JOHNSON**

"They've been playing against top teams all season. Our conference was actually really good, so that helped us prepare for this. We just started to miss shots in the third quarter. I got my fourth foul really fast and the calls weren't anywhere to what they were getting. That third quarter really killed us."

"We knew we could match up with them if we went man. We've had an impressive zone (defense) the whole season."

"These girls have a special place in my heart. This season was everything that I hoped college basketball would be. It's promising, because we have everybody but one super senior (Aldredge) coming back. It's an exciting progression and I think we have a lot more in us. We're fighters and we're going to come back fighting next season."
